Frequently asked questions

What type of music is available?

We have an extensive library of over 130,000 titles available to suit all occasions and tastes. We are able to offer music that ranges from Classical through to the latest music. We are able to offer specialist DJs and have music from around the world.

May I bring my own music?

Yes, if you wish to bring your own CDs please ensure that they are clearly labelled and that you provide a list of titles and track numbers to be played and who to return them to, we will however be happy to buy almost any music to enhance our library.

How much music should I choose?

You may choose some of your favourites that will also appeal to the majority of your guests. The DJ will do the rest. He will get a feel for your audience/guests and select appropriate numbers. We also play requests on the night if they are considered appropriate.

What will the DJ and his team wear?

We generally work in black but will dress to suit the occasion and to your instructions.

How can I get hold of you quickly?

We have a range of telephone numbers and e-mail.

Why should we book the Classic Nomad Disco and Light Show Experience?

We have a range of equipment to suit any occasions to fit the smallest area to the largest venue. We can build any size rig from our extensive range of up to date equipment. We always carry spare and backup equipment in the unlikely event that it is needed. We believe we are the best in our field for entertainment.

Can you provide references?

Yes, we have a large reference file from a broad range of clients who are happy to vouch for our professionalism, reliability and integrity.

How far in advance do I have to book?

Ideally as far in advance as possible to ensure availability.

Do you take last minute bookings?

Yes, pick up the phone, give us a call. We will do our best to help.

How much will it cost?

Cost varies according to size of function/venue, date, day, time and what is required. We will be pleased to give you an indication of costs at the time of your enquiry, and follow this up with a written quotation.

Are you insured?

Yes, we have third party liability insurance.

Is the equipment safe?

Yes, all our electrical equipment is regularly PAT certified.

We are renowned for giving excellent value for money and there will be no hidden charges.

We are a quality professional business with full time professional staff and are here to serve you
